PROFILE

Aspiring UI/UX designer seeking opportunities to grow through creative design challenges. Skilled in UI design and prototyping, with a strong passion for learning and delivering user-focused solutions. I am eager to contribute to meaningful projects and refine my design expertise.

EDUCATION

Secondary Education, Shree melamchi ghyang secondary school

April 2019 – August 2022 | Helambu, Nepal

High School Grad, Capital College And Research Center

June 2022 – July 2024 | Kathmandu, Nepal

I completed coursework in Computer Science, developed a project focused on back-end connection for website login and signup details, and utilized a local server for data storage.

PROJECTS

B6- design sprint

September 2024 – present

We are creating a user-friendly website for an educational institute, showcasing various courses and encouraging inquiries for enrollment. The site will provide detailed course information without online purchasing options or displayed prices. We focus on identifying user challenges and delivering effective solutions to ensure a professional design highlighting the institute's offerings and values.

COURSES

UI/UX Diploma, Vrit Technologies

August 2024 – present | Kathmandu, Nepal

Focused on user-centered design principles, wireframing, prototyping, and usability testing. Developed practical skills in creating intuitive user interfaces and enhancing user experiences through various design methodologies. Completed projects that involved user research, iterative design processes, and collaboration with peers to deliver effective design solutions.

INTERESTS

Hiking, Singing, Writing, Photography and Graphic Design
